price - costo **under request**

These SIDE TABLE are available in different hights

The foot is available in two different size:

This is a SIDE TABLE in recicled wood and painted steel. Inspired by Arnaldo's experience as meditation practitioner this Meditation Stool helps to find a comfortable position while kneeling down. For those who practice meditation and, for personal conditions, struggles to find the correct posture enhance the balance and the relaxation of the all body.

Here Arnaldo and Giulia combine and juxtapose the organic shape and the texture of the Oak Panel with a specific focus on the ergonomic . The natural value of the Oak Panel has been emphasized with fine handmade -sanding finishing layer of natural oil.
